Introduction

World Konkani Centre instituted the Vimala V. Pai Vishwa Konkani Sahitya Puraskar in the year 2010 in the name of Smt. Vimala V. Pai to promote Konkani literary standards. In the year 2011 the Vishwa Konkani Life time Achievement Award was added and in the year 2013 the Vishwa Konkani Award for Poetry is being instituted. All the awards carry a cash prize of Rs. 1,00,000/- each. The President and Board of Trustees of Konkani Language and Cultural Foundation are very grateful to Shri T.V. Mohandas Pai for instituting the Awards.

This year we have announced TWO Annual Awards in the name of Sri Basti Vaman Shenoy who completed 80 years recently. The Awards are constituted to recognize outstanding contributions by Konkani-speaking individuals or organisations managed by Konkanies in fields such as Education, Governance, Social Service, Health Care, Science, Journalism, Literature (Non-Konkani), Performing Arts, Humanities, Industry, Commerce, Sports etc. There are separate awards for men and women.

The selection for the Awards is done through a rigorous process. The Foundation invites nominations and refers the same to a preliminary panel from all over the country for their recommendations for these awards. Their recommendations are then referred to a five member team of Jury. The Jury makes the final selection of the awards.

We thank both the preliminary committee of referees and the Jury members for their very valuable service. We hope these awards will uphold the tradition of celebrating achievements of Konkani people.
